

SPECIAL EDITION

We are pleased to present our first limited edition project with fourteen of the most radical and uncompromising artists Art&Idea has worked with over the last ten years. Artists featured include Vito Acconci, Uli Aigner, Abraham Cruzvillegas, Emiko Kasahara, Máximo González, Daniel Guzmán, Damián Ortega, Luis Felipe Ortega, Santiago Sierra, Teresa Margolles, Rudi Molacek, and Maria Serebriakova, as well as Eugenia Vargas Pereira and Pablo Vargas Lugo. These artists share a commitment to constantly question artistic strategies and boundaries and, as such, not only challenge their own work, but have also challenged Art&Idea's scope of programming over the last decade. We wish to thank all the artists for their generosity and support.

The edition box includes a wide variety of works in different media spanning sculpture, fine art print, collage, photography, video and audio pieces.
